Hongkong Rates of Postage.

(Revised March 1, 1880.)

In the following Statements and Tables the Rates are given in cents, and are, for Letters, per half ounce, for Books and Patterns, per two ounces.

Newspapers over four ounces in weight are charged as double, treble, &c.; as the case may be, but such papers or packets of paper may be sent at Book Rate. Two Newspapers must not be folded together in one, nor must anything whatever be inserted except bona fide Supplements. Printed matter may, however, be enclosed, if the whole be paid at Book Rate. Prices Current may be paid either as Newspapers or Books.

Commercial Papers signify such papers as, though Written by Hand, do not bear the character of an actual or personal correspondence, such as invoices, deeds, copied music, &c. The charge on them is the same for books, but, whatever the weight of a packet containing any partially written paper, it will not be charged less than 5 cents.

The sender of any Registered Letter may accompany it with a Return Receipt on paying an extra fee of 5 cents.

The limit of weight for Books and Commercial Papers to Foreign Post Offices is 4 lbs. Patterns for such offices are limited to 8 ounces, and must not exceed these dimensions: 8 inches by 4 inches by 2 inches.
